VISION

Dear Professional Colleague,

It's my pleasure to connect with you.

I take this opportunity to express my sincere gratitude for your whole-hearted support, enabling me to serve at regional level for 9 years, including as Secretary (2007-08) and Chairman (2015-16) of WIRC. It was my privilege to have gained invaluable experience; fulfilled the commitments and selflessly strived to serve our esteemed Institute – **The Institute of Chartered Accountants of India**.

I have been fortunate to interact with members, participate in various central and regional committees and gained insight about the enormous strength of the ICAI. I am of the firm belief that the ICAI, as a body of professionals, is one of the strongest Institutes of the World.

Today our profession has the strength of over 3,00,000 dynamic members, with a significant presence of women members. This includes about 1,50,000 young members, registered during the last decade, with a yearning to become high caliber professionals. This energetic and ingenious pool of talent is under-utilised. To get the best out of this pool of talent, their skills should be identified, properly developed and productively channelized. This will help in personal growth of such young members and overall growth of our profession.

I strongly believe that our young member friends have sharp and agile minds. These intrinsic strengths can be focused upon to take our profession to the pinnacle of growth. It can only be accomplished with dedication, determination and unflinching commitment in pursuit of growth and excellence. We all, together, can make a significant contribution towards vision of India as a \$5 trillion economy.

In the spirit of the progress of the ICAI and our esteemed members, my Sincere Focus will be:

- ▶ To enhance the role and recognition of The ICAI, Globally.
- ▶ Optimal utilization of The ICAI Infrastructure.
- ▶ Promoting CA as multi talented professionals i.e. as - Entrepreneurs / Authors / Research Enthusiasts / Idea Generators.
- ▶ Building greater affinity with Government Bodies and Other Regulators.
- ▶ Greater use of technology and digitization to keep pace with the ever-changing business environment.
- ▶ Revamping the curriculum and introducing a host of specialized and industry specific courses along with enhanced mentoring program.
- ▶ To Encourage and Support the new members to share knowledge and explore new avenues for professional growth.
- ▶ Empowering small and medium practitioners particularly in small towns

I assure you of my strong commitment, zeal and dedication to our profession.

I humbly solicit your support by casting your First/Best Preference Vote in my favor.[Ballot Sr. No. 17].

I reiterate my VISION “Let’s serve our ALMA MATER and take It to the next level of EXCELLENCE”.

अंत में - एक विनम्र संदेश
